## PASSWORD GUIDELINES

We have established these guidelines for creating your password to help keep your account from being compromised due to a weak password. Compromised accounts can be used to send spam emails, spoof email, conduct shady communications or just monitor your emails. Please consider these guidelines as a minimum starting point when creating your password. There are many password strength checkers on the web that can be used to check your passwords like [www.passwordmeter.com](http://www.passwordmeter.com)

### GUIDELINES

1. **Must** be a minimum of 8 characters (no maximum limit)
2. **Must** contain at least 1 letters and 1 numbers
3. It is *advised* to use a combination of upper and lower case letters
4. It is *advised* to use special characters like ! # @ %
5. The word password **cannot** be used in your password
6. Your complete username **cannot** be in your password
7. An example of a strong password would be TheP0pcorn1sfresh!

### \*\*\*\*\* NOTE

Even a strong password is not a full proof guarantee that it won't be figured out due to, for example, keeping it wrote down and displayed in a visible location or if your computer is compromised with malware or a virus. If you ever suspect your account may be compromised, don't hesitate to contact us and setup a new password.

**Monon Telephone Company Inc.® Direct Credit Card Charge Plan  
Application and Authorization**

**HOW THIS WORKS:**

By completing and signing this form, you are authorizing Monon Telephone Company Inc.® (“Monon”) to directly charge your credit card to pay your Monon Telephone bill. You will receive a monthly statement indicating the amount that will be charged. You will have at least 10 days to review the statement for accuracy. If you have concerns or questions about the charges on the statement, you must contact us by the 15<sup>th</sup> of the month. We will charge the amount shown on the statement to your credit card on or after the 16<sup>th</sup> of each month. There will not be a late charge if we make the deduction before we prepare the next month’s bill. All deductions will be made prior to the next month’s bill. You will receive notification informing you that activation of direct credit card charge has been completed. Until you receive such notification, you should continue to pay any paper bills that you receive.

**IMPORTANT INFORMATION:**

Credit Card charges will be initiated by Monon to pay Monon Telephone bills. The charge will constitute your receipt for the transaction(s). No payment to Monon will be made unless and until Monon receives actual credit. Monon reserves the right to refuse or terminate electronic payment services. You may terminate this agreement at any time by notifying Monon in writing or by calling (219)253-6601 and speaking to a Monon Representative. Allow 5 business days for the termination to take effect. If corrections of the entry are necessary, it may involve an adjustment to your account.
